<b>Introduction</b> .....	i
Koji Yamazaki	
<b>General Biology of Species in this Report</b> .....	iii
Gabriella M. Fredriksson, Toru Oi, Sayaka Shimoinaba, Gong Jien, Tutomu Mano, Netrapal Singh Chauhan, Shyamala Ratnayeke	
<b>Chapter 1 The Status and Conservation of Bears in Pakistan</b> .....	1
Kashif M. Sheikh	
<b>Chapter 2 The Status and Bears in India</b> .....	7
<b>2.1 The Status of Brown Bears in India</b> .....	7
Sambandam Sathyakumar	
<b>2.2 The Status of Asiatic Black Bears in India</b> .....	12
Sambandam Sathyakumar	
<b>2.3 The Status of Malayan Sun Bears in India</b> .....	20
Netrapal Singh Chauhan	
<b>2.4 The Status of Sloth Bears in India</b> .....	26
Netrapal Singh Chauhan	
<b>Chapter 3 The Status of Sloth Bears in Sri Lanka</b> .....	35
Shyamala Ratnayeke, Shanmugasundaram Wijeyamohan, Charles Santiapillai	
<b>Chapter 4 The Status and Conservation of Bears in Bangladesh</b> .....	41
Md. Sohrab Uddin Sarker	
<b>Chapter 5 The Status and Conservation of Bears in Myanmar</b> .....	45
Htun Saw	
<b>Chapter 6 The Status of Bears in Thailand</b> .....	50
Supagit Vinitpornasawan, Robert Steinmetz, Budsabong Kanchanasakha	
<b>Chapter 7 The Conservation of Bears in Cambodia</b> .....	57
Chamnan Nea, Divan Nong	
<b>Chapter 8 The Current Status and Conservation of Bears in Vietnam</b> .....	61
Dang Nguyen Xuan	
<b>Chapter 9 The Status of Malayan Sun Bear in Malaysia</b> .....	66
Siew Te Wong	
<b>Chapter 10 The Status of Sun Bears in Indonesia</b> .....	73
Ligaya Tumbelaka, Gabriella M. Fredriksson	

<b>Chapter 11 The Status of Bears in Russia</b> .....	79
<b>11.1 The Biology and Conservation Status of Brown Bears in the Russian Far East</b> .....	79
Ivan V. Seryodkin	
<b>11.2 The Conservation Status of Asiatic Black Bears in the Russian Far East</b> .....	86
Vladimir V. Aramilev	
<b>Chapter 12 The Status of Bears in Mongolia</b> .....	90
Badamjav Lhagvasuren, Batmunkh Mijiddorj	
<b>Chapter 13 The Status of Bears in China</b> .....	96
Jien Gong, Richard B. Harris	
<b>Chapter 14 The Status of Bears and Restoration Projects on the Korean Peninsula</b> .....	102
Sang-Hoon Han	
<b>Chapter 15 The Status and Management of Asiatic Black Bears in Taiwan</b> .....	107
Mei-hsiu Hwang, Ying Wang	
<b>Chapter 16 The Status of Bears in Japan</b> .....	111
<b>16.1 The Status of Brown Bears in Japan</b> .....	111
Tsutomu Mano (ed.)	
<b>Biology:</b> Taxonomy and morphology (Satoshi D. Ohdachi, Hifumi Tsuruga), Ecology and Behavior (Yoshikazu Sato), Physiology (Toshio Tsubota), Molecular phylogeny and genetics (Ryuichi Masuda)	
<b>Status:</b> Present distribution, Historic range, Population estimation, Bear kill statistics, Habitat conditions (Tsutomu Mano)	
<b>Management Issues:</b> Bear-human conflicts (Koichi Waseda, Hifumi Tsuruga), Public education (Koichi Waseda, Akiko Kameyama)	
<b>Recommendations:</b> (Tsutomu Mano)	
<b>16.2 The Status of Asiatic Black Bears in Japan</b> .....	122
Toru Oi, Koji Yamazaki (eds.)	
<b>Biology:</b> Taxonomy and morphology (Sayaka Shimoinaba), Ecology and Behavior (Yukihiko Hashimoto), Physiology (Toshio Tsubota), Genetic characteristics (Naoki Ohnishi)	
<b>Status:</b> Changing habitat, Threatened local populations in the Red Data Book, Nationwide population, Number captured (Toshihiro Hazumi), Conflict with humans, Habitat conditions (Toshiki Aoi)	
<b>Educational Program for the Public:</b> (Koji Yamazaki)	
<b>Recommendations:</b> Establishment of an integrated information gathering system, Establishment of bear management system, Setting of management goal (Koji Yamazaki)	
<b>16.3 Conservation Management Laws and Systems</b> .....	134
Hideki Kusakari, Tsutomu Mano	
<b>16.4 Bear Gall Bladder Use and Trade in Japan</b> .....	135
Akiko Ishihara	
<b>16.5 The People Worship Bears and Then Hunt Bears</b> .....	138
Hiromi Taguchi	
<b>Glossaries</b> .....	140
<b>Appendix 1 Authors</b> .....	143
<b>Appendix 2 Editorial Board</b> .....	145
